Inclement Weather

Week 15

This unseasonably warm weather has been very enjoyable, but remember this is Illinois, and it will eventually get cold. As a reminder please keep us updated with any changes in your phone numbers, especially cell phones. Should school be cancelled due to inclement weather, you will first be notified by the BlackBoard Connect Communication System. We will also contact the local television and radio stations, but your first notification will come from us via the call system. The decision to cancel school is not taken lightly, and there are several factors that are considered. However, as a general rule the decision to cancel school or remain open is usually made by 6:30 AM since our bus routes start running at that time. In the meantime, enjoy the additional sunshine!

Our "Lost & Found" box is overflowing with several student sweatshirts, coats, jackets, etc. You name it, and you can find it in the "Lost & Found" box. Please take a moment to check out the box so those many items find their way back home. At Limestone Walters we like happy endings.
